## ON THE GO

Marmion's on the go—from reveille to taps, a cadet never stops moving, whether studying, drilling, playing, or praying. His life is a constant effort for self-improvement—an ideal which the entire school shares.

# DEDICATION 1968

## FATHER DAMIAN PRESKE, O.S.B.

An exuberant personality and an enthusiastic manner mark Father Damian Preske, O.S.B., in his frequent contacts with cadets and parents. Promotional Director and official greeter of past, present, and future cadets, Father Damian dedicates his time and his enormous energy to the advancement of the school he loves so well. It is in recognition of his dedication and hard work during his years of priesthood, of which 1968 marks the fortieth, that the editor and staff of this publication are proud to dedicate the 1968 Pass 'n Review to Father Damian Preske.

ADMINISTRATION AND FACULTY

Being the President of Marmion and the First Abbot of Marmion Abbey is a heavy burden for any man, but the Right Reverend Gerald Benkert, O.S.B., Ph.D., fills these posts with wisdom and understanding. Fr. Abbot is the ultimate authority in the Marmion community, responsible for the conduct of the school and the Abbey. His loyal services have led Marmion to a place of prominence among the schools of this area and of the nation.

PRESIDENT

## ADMINISTRATION

The Headmaster of a good private school must be a subtle combination of benevolent father and strict disciplinarian. Neither of these two qualities must ever overshadow or blot out the other; only a really good man can handle the delicate balance required of this office. Such a person is the Very Reverend Joseph Battaglia, O.S.B., A.B., A.M. Father Joseph is responsible for the direct supervision of all the phases of life at Marmion, with responsibility for the feeding, clothing, academic instruction, discipline, and moral training of the cadets. "Magnifique" is the only word applicable to Father Joseph's performance in his post as Headmaster.

HEADMASTER

## DEAN OF STUDIES

The school year 1967-1968 was the third year for Father Rene Cyr, O.S.B., B.A., M.A.L.S. as Dean of Studies. He has used his time and great administrative abilities to engender an interest in study in all the cadets.

## COMMANDANT

Direct responsibility for the maintenance of discipline falls on the shoulders of Father Andrew Wahmhoff, O.S.B., A.B., M.A. His dedication to and obvious efficiency in his job endear him to all here at Marmion.

## CHAPLAIN

Father Wulstan Mork, O.S.B., B.A., M.A., Marmion's chaplain, guides cadets in their spiritual formation with deep wisdom and kind understanding. Author of several books on the spiritual life, he applies his principles to the cadets with great success.

Annual Formal Inspection, the dreaded "Federal," was held this year on May 2 and 3. Inspecting officers were Col. Ben F. Marshall, Inspection team chief, Major William A. Roosma and Sgm Allen B. Chesser. In anticipation the familiar shakedown cleanup, in which everyone participated, took place. After the two-day inspection, Col. Marshall commented on the excellence of the corps' appearance and preparation.

## CHEERLEADERS

In the life of a Marmion man, the role of intramural athletics is an important one. Much of each day is spent developing a healthy body to complement his mental and spiritual growth. Marmion's phy ed program is extremely varied and allows for a great number of interests. From Calisthenics to swimming, ping pong to volleyball, there is some intramural sport that appeals to each man at Marmion. Directing the program is Father Peter who spends many hours each day scheduling games and individual activities

## HOMECOMING

Everything imaginable conspired to make the 1967 Homecoming Weekend one of the best in memory. Festivities started with a bonfire on the Butterfield Campus, the largest ever, the night before the game. Game day was filled with pleasant weather, allowing the cadets to show off their floats to best advantage. The Queen, Miss Sue Anderson, and her attendants, Miss Korinne Kobold and Miss Peggy Krahenbuhl, were even more beautiful than the weather; the Cadets scored a victory to climax the weekend. The jollities were topped off by a Victory Dance at Lake Street that night.

THANKSGIVING DANCE  
NOVEMBER 18, 1967

The Elmhurst Country Club provided an elegant setting for this year's Thanksgiving Dance on November 18th. Music was by The Funny Company, a rock group from the Hinsdale area. The dance was well attended and immensely enjoyed by cadets and escorts who only expressed regret at the night's brevity.

## MIL BALL MAY 24, 1968

Again this year the formal Military Ball was held at the Drake Hotel in the Grand Ball room. The queen was Miss Carol Grodecki who was escorted by Cadet Colonel Bernard Sakowicz.

APRIL 20, 1968

This year's Salute to Youth benefit dinner, held in the Grand Ballroom of the Palmer House Hotel in Chicago, had the added touch of youthful guests. Twenty-six cadet officers and dates attended the affair. Their participation at the invitation of the Program Committee was a distinctive feature of this year's successful dinner.

## SALUTE TO YOUTH BENEFIT DINNER

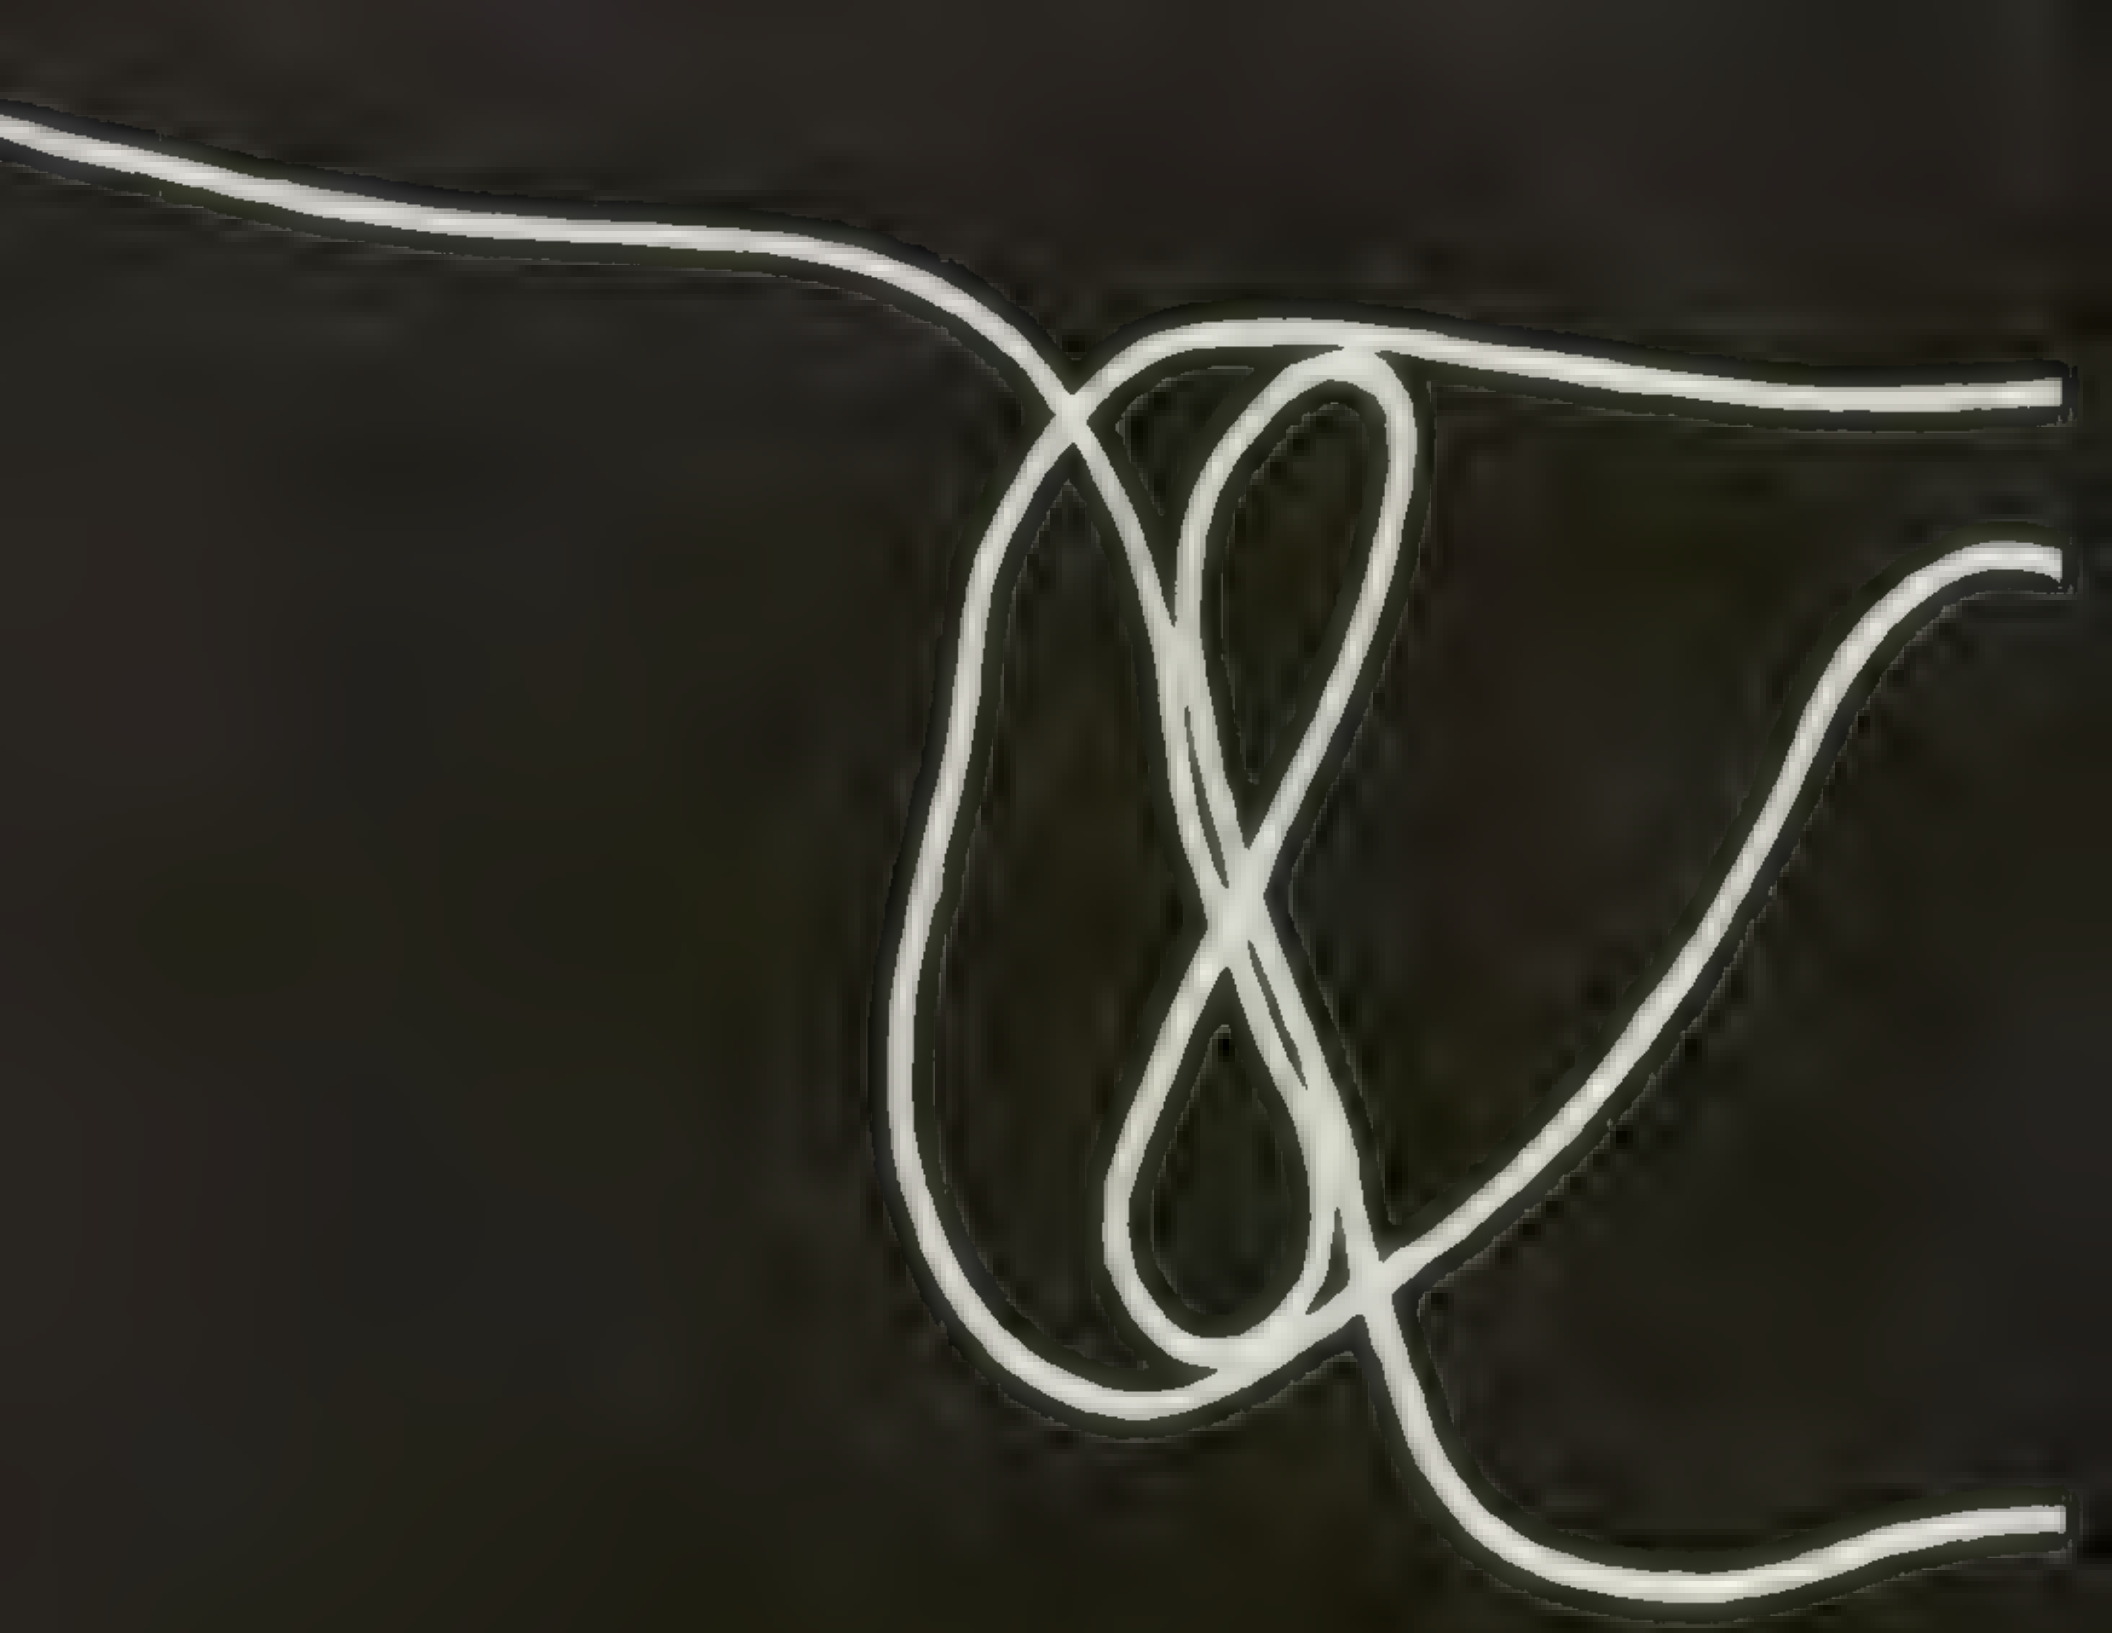

Mr. and Mrs. Anthony Mirano shared the leadership of committees that made a success of this year's benefit.

Father Abbot Gerald is pictured with the Ed Bachners, the senior members of a big family of Marmion supporters.
